Personal Profile

I am a highly motivated final-year undergraduate at the University of Bath studying Economics with hands-on experience. I am eager to translate the analytical and problem-solving skills I have learned into a dynamic work environment.

Education

BSc Economics - University of Bath | October 2021 - July 2025

- Relevant modules include microeconomics, macroeconomics, econometrics, and corporate finance.

Campbell College | September 2014 - July 2021

- A Levels: Mathematics (A*), Physics (A), Business Studies (A).
- GCSEs: 9 grades 9-7.

Work Experience

Catering Staff - Wimbledon | July 2024

- Delivered high-quality customer service under pressure at one of the world's most prestigious sporting events.
- Recognised for consistently exceeding service expectations, resulting in a return offer for next year.

Junior Accounts Assistant - Ocean Partners | July 2023 - June 2024

- Worked directly with cross-border teams in the US to manage financial operations in the base metal industry.
- Met deadlines that included recording invoices, reconciling bank accounts, and setting up payments.
- Deepened my understanding of the base metal industry by working with other internal teams.
- Designed and presented a proposal to the Board of Directors to increase net profit, which was later implemented.

Paraplanner - Johnson Campbell | June 2022 - September 2022

- Supported financial advisors by handling client inquiries, attending meetings, and completing ad hoc tasks.
- Learned how a successful financial advisory operates, including its structure and internal culture.
- Gained problem-solving skills and took initiative when working to a deadline.

Virtual Experience Programme - Deloitte | September 2022

- Completed tasks in consulting and financial advisory.
- Improved analytical skills through refining information and completing a Final Outcome Statement.

Voluntary Work

Hole Marshal - Amgen Irish Open, DP World Tour | September 2024

- Developed crowd control and communication skills while managing attendees during the tournament.

Caddie - Royal Belfast Golf Club | June 2019 - August 2019

- Built relationships with individuals through suitable conversation while maintaining professionalism.

Key Skills and Achievements

- IT skills: Proficient in Microsoft Excel, Word, and PowerPoint, with experience in econometrics software, (R).
- John Locke Institute Economics essay competition 2020 shortlisted candidate.
- Duke of Edinburgh Award.

Interests

- Active participant in golf competitions, developing focus and discipline.
- Socially active through sports and networking events.
- Engaged in triathlon training (swimming, running, cycling), cultivating physical resilience and endurance.
